DIALOGUE-HEAVY PAGE TEST

1

A compact narration plaque establishes the technical scene without repeating the dialogue.

Does every word remain editable after the art is placed?

Yes. The script, geometry, font and tail anchor remain separate records.

Then a layout repair does not regenerate the illustration.

MIXED-PANEL ACTION TEST

1

A wide opening beat gives way to two asymmetric reaction panels.

The reading order remains explicit.

TECHNICAL SOURCE NOTE

This page demonstrates a distinct expository channel. Its wording is fixture text, not scripture and not an editorial claim about DM04.

1. Reflection pages remain readable, restrained and separately editable.
